

Wednesday, 30 April 2025

Time	Ahmadinia Hall	Amphitheater	Hall A	Hall B	Hall C	Hall D	Hall E	Hall G	Hall L	Hall N	Hall S	Hall F
8:30-10:00	Plenary session (IHA) Life Style Medicine (EN)	Plenary session (IHA) Approach to HCM	IJCC 2025	Pediatric cardiology: Interventional approaches in congenital heart diseases	IJCC 2025	Forensic medicine	Cardiac physiotherapy	Cardiac surgery: Heart Failure Surgery (EN)	Basic science: Molecular genetic markers in cardiology	Cardiac Electrophysiology: Late breaking clinical trials	Perfusion: Welcome notes & presentations	Perfusion Workshop: HIPEC Workshop
10:30-12:00	Plenary session (IHA) Chronic Coronary Syndrome (EN)	Cardiovascular imaging: Challenges in cardiac imaging (Case-based)	IJCC 2025	Pediatric cardiology: Pulmonary valve replacement timing in congenital heart diseases.	Cardiac nursing: Poster Presentation	Cardiac anesthesiology: Advanced hemodynamic monitoring	Cardiac physiotherapy: Opening ceremony	Echocardiography: Brief look at Echocardiography guidelines	Cardiac nursing: Strategies in Preventive cardiology	Cardiac electrophysiology: Approach to syncope	Perfusion: Organ protection	IJCC 2025
12:15 -13:15 Sponsored and Lunch Sessions	Plenary session (IHA) Cardiology facing Internal Medicine (Case-based)	Interventional Cardiology: Acute coronary syndrome: Guideline-oriented (Case-based)	Artificial intelligence: AI in cardiology	Pediatric cardiology: Cardiometabolic: a case-based approach to cardiometabolic practice	Moderated poster presentation	Cardiovascular imaging: CMR for general cardiologists	IJCC 2025	Echocardiography: Functional mitral regurgitation: a look through echocardiography lens	Cardiac Surgery: Hemoadsorption in cardiac surgery	Cardiac electrophysiology: Epicardial approach in cardiac arrhythmias	IJCC 2025	IJCC 2025
13:30-15:00	Cardio-oncology: Pericardial effusion in cancer	Interventional cardiology: How to manage mitral regurgitation	Nuclear cardiology	Pediatric cardiology: Dos and don'ts in pediatric diagnostic catheterization	IJCC 2025	Echocardiography: Multimodality imaging in cardiac amyloidosis	Cardiac physiotherapy: Cardiovascular implantable electronic devices (CIEDs)	Cardiac Surgery: Minimally invasive cardiac surgery (EN)	Cardiac nursing: Managing anticoagulants outside the hospital	Cardiac electrophysiology: SVTs challenges (Case-based)	Perfusion: IRSSECT updates, employee retention	IJCC 2025
15:15-16:45	Plenary Session (IHA) Heart Smart: Revolutionizing cardiology with precision medicine	Interventional cardiology: A to Z approach to retrograde chronic total occlusion (EN)	Cardio-oncology: Arrhythmia and autonomic dysfunction in cardio-oncology	Pediatric cardiology: Surgical approaches in congenital heart disease	Abstract presentation	Joint session of cardiac electrophysiology and cardiovascular imaging	Cardiac physiotherapy	Cardiac surgery: Tricuspid valve surgery	Cardiac nursing: Cardiac nurse Lead clinic	Heart failure: Cardiac amyloidosis	Perfusion: New perfusion guidelines	IJCC 2025
17:00 - 18:30	Plenary session (IHA) Electrophysiology in daily practice (Case-based) (EN)	Endovascular: Intervention-Peripheral Type B aortic dissection	Cardiac anesthesiology: Transfusion and coagulopathy in cardiac surgery	Pediatric cardiology: Pediatric cardiology: General topics	Abstract presentation (Cardiac Surgery)	Interventional cardiology: Interventional cardiology Potpourri (EN)	Cardiac physiotherapy	Echocardiography: Echocardiography in structural interventions	Cardiac nursing: Cardiopulmonary resuscitation updates	Heart failure: Cardiogenic shock	Perfusion: Annual general meeting & new aspects of perfusion	IJCC 2025
18:30 - 19:00						Iranian Caspian Heart Foundation annual General Assembly						

The sessions will be in Persian language except them that marked as (EN) in the Final program and here in at a glance

Thursday, 1 May , 2025

Time	Ahmadinia Hall	Amphitheater	Hall A	Hall B	Hall C	Hall D	Hall E	Hall G	Hall L	Hall N	Hall S
07:15-08:15	Heart failure: Heart failure guidelines	Interventional cardiology: A to Z of radial artery access during cardiac catheterization (Case-based)	Social media: Top Tips on social media for medicine	IJCC 2025	IJCC 2025	Endocarditis: Results from Iranian collaboration in the latest ESC guideline	IJCC 2025	Cardiac surgery: Aortic guideline updates	IJCC 2025	Cardiac electrophysiology: ECG Advanced interpretation techniques	IJCC 2025
08:30-10:00	Plenary session: Cardiovascular consultations in outpatient practice (Case-based)	Joint session: Post cardiac catheterization vascular access site complications (Case-based)	Nutrition: Obesity and cardiovascular diseases	Joint session of interventional cardiology, adult congenital heart Disease & CASPIAN: Percutaneous interventions for ASD	IJCC 2025	Heart failure: Myocarditis	Cardiac physiotherapy: Physical therapy approaches in vascular diseases	Cardiac surgery: Balancing risk in aortic dissection reoperations. (EN)	Echocardiography: Hot topics in echocardiography	Cardiac electrophysiology: workshop on intracardiac echocardiography	Perfusion: Transitioning to new technology
10:30-12:00	Plenary Session: Valvular heart diseases (Case-based with live presentation) (EN)	Cardio-Oncology: Cardiovascular risk in prostate cancer	Cardiac Anesthesiology: CABGs: management and complications	Adult Congenital Heart Disease: Clinical assessment and treatment of coronary anomalies	Cardiac nursing: Nursing updates in interventional cardiology	Heart failure: Heart failure in specific populations	Cardiac physiotherapy: Diagnostic tests for heart diseases	Echocardiography: 3D echocardiography	Cardiac Nursing: Comprehensive management approaches in heart failure	Cardiac Electrophysiology: Atrial Fibrillation (EN)	Perfusion: Complex aortic surgery
12:15 -13:15 Sponsored and Lunch Sessions	Plenary session: Hypertension mysteries: real cases, real challenges	Cardio-oncology: ICI associated myocarditis: guideline oriented	Hypertension status in Iran	Antithrombotic therapy in challenging scenarios	Moderated poster presentation	Cardiovascular imaging: CT angiography for general cardiologists	IJCC 2025	Cardiac surgery: Aortic valve surgery (EN)	Heart Failure: LBCTs in HF (EN)	Cardiac Electrophysiology: Electrophysiology potpourri	IJCC 2025
13:30-15:00	Endovascular: Varicose vein (case-based)	Heart failure: Heart failure in structural heart diseases	Iranian network of cardiovascular research annual session	Pediatric cardiology: Echocardiography	Abstract presentation	Cardiac Surgery: Endocarditis	Cardiac physiotherapy: Physical therapy approaches in heart transplant	Echocardiography: New insights in valvular heart disease (EN)	Cardiac nursing: Abstract session	Cardiac Electrophysiology: VT ablation (EN)	Joint Session: Cardiac anesthesiology echocardiography and perfusion
15:15-16:45	Plenary session: Clinical decision making in adult congenital heart disease	Interventional cardiology: Meet global experts in interventional cardiology (EN)	Sport cardiology: (case-based)	Pediatric cardiology: Cardiac electrophysiology (EN)	Abstract presentation	Vascular surgery: Concurrent coronary and carotid artery disease	Cardiac physiotherapy: Cardiac rehabilitation workshop I	Cardiac Surgery: CABG panel discussion (EN)	Cardiac nursing: Prevention and management of complications in cardiac surgery	Heart failure: Navigating challenges for safer non-cardiac surgery	Perfusion: ECMO management
17:00-18:30	Plenary session: Dyspnea in pregnancy (Case-based)	Interventional cardiology: "Complex" percutaneous coronary intervention	Cardiac anesthesiology: Controversies in cardiac anesthesia	Pediatric cardiology: Pulmonary hypertension	Perfusion: Perfusion science: competition and innovation	Vascular surgery: Deep venous thrombosis, a case-based session	Cardiac physiotherapy: Cardiac rehabilitation workshop II	Cardiac surgery: New concept in CPB (from Membrane to Cardioplegia) (EN)	Cardiac nursing: Management of life-threatening arrhythmias	Cardiac electrophysiology: Cardiac implantable electronic devices	Echocardiography: Echo at jeopardy
18:30-19:00		Iranian Society of Interventional Cardiology Annual General Assembly	Iranian Society of Cardiovascular Imaging Annual General Assembly	Iranian Society of Pediatric Cardiology Annual General Assembly	Iranian Scientific Society of Extra Corporeal Technology Annual General Assembly	Iranian Society of Cardio-oncology Annual General Assembly	IJCC 2025	Iranian Society of Cardiac Surgeons annual General Assembly	IJCC 2025	Iranian Society of Heart Failure annual General Assembly	IJCC 2025

The sessions will be in Persian language except them that marked as (EN) in the Final program and here in at a glance

Friday , 2 May , 2025

Time	Ahmadinia Hall	Amphitheater	Hall E	Hall G	Hall L	Hall N	Hall S	Hall F
07:15-08:15	IJCC 2025	Interventional Cardiology: LEPU Memorb Occluder and IVL presentation	IJCC 2025	IJCC 2025	IJCC 2025	Cardiac Surgery: Video Session	IJCC 2025	IJCC 2025
08:30-10:00	Plenary session: Research in cardiovascular medicine in Iran	Interventional Cardiology: Acute coronary syndrome	Cardiac physiotherapy: Professional athletes, Exercise and the Heart	Pediatric cardiology: Heart failure & myocardial disorders	Joint Session of Cardiac Nursing & Cardiac Physiotherapy	Cardiac Surgery: Adult Congenital Cardiac Surgery	Perfusion: Workshop (ECMO)	Perfusion: Workshop Quantum life support
10:30-12:00	Plenary session: CVD risk factor modification in Iran							
12:00-12:20	Closing Remarks
